Piscataqua Landscaping Celebrates 30 Years in Business

Piscataqua Landscaping Co, Inc. recently celebrated its thirtieth year anniversary at an event honoring staff, clients and vendors through the years.

The event was held in the courtyard of One Harbour Place, owned and operated by Two International Group, one of Piscataqua Landscaping's commercial clients.

During the evening, owner Booth Hemingway commented to the crowd of over 200 guests, "It's hard to believe that 30 years have passed. When I started this company in 1979 I drove a blue Datsun truck and

everybody's favorite wedding tune was YMCA by the Village People. I was charging \$6.00 an hour and I think we made \$26,000 that year."

He went on to thank his loyal staff, his business partners and vendors, and all of the clients who were there to celebrate the company's longstanding success. Piscataqua Landscaping Company surpassed the one million dollar mark in snow removal revenue in 2008, making their 29th year in business the best yet.
