## Piscataqua Landscaping Supports Salvation Army

Piscataqua Landscaping Co., Inc. is doing its part to help local families in need this holiday season. The company's employees rallied together to support the Salvation Army's Christmas Stars program.

Families in need are invited to fill out an application for The Salvation Army's Star program. Their specific needs are then turned into "Stars" for each child in the family. Every Star child receives two toy requests, two clothing requests and one extra gift based upon their hobbies and interests.

Piscataqua Landscaping received 38 Stars and placed them on their tree for staff to choose from. All 38 Stars were selected that very same day with enthusiasm and a desire to help the children. Each year the company selects an organization that the staff can help

support; according to Justin Gamester, "It's heartwarming to witness the level of caring that comes from our staff each holiday season. This year was fantastic and we all feel really great about supporting the Salvation Army Stars."

Piscataqua Landscaping Co., Inc. is an award winning landscape design, installation, and maintenance company celebrating 31 years in business. Their custom stonework and landscape designs and service show up in some of the most recognized landscapes across Maine and New Hampshire.
